“We have responded to Chairman Gowdy. The letter explains, EPA’s Protective Service Detail identified specific ongoing threats associated with Administrator Pruitt’s travel and shifted his class based on certain security protocols that require him to be near the front of the plane.” – EPA spokesman, Jahan Wilcox

Ok let me know if you do.

Did you all release the documents submitted to House Oversight today?

Thanks. Do you have the documentation of the cost of those previous administrators' trips? I just realized my editor won't let me include the numbers unless I can verify them

On-the-record statement regarding travel: **“Administrator Pruitt’s security detail followed the same procedures for the G7 environmental meeting in Italy that were used during EPA Administrators Stephen Johnson, Lisa Jackson, and Gina McCarthy’s trips to Italy. EPA’s security procedures have not deviated over the past 14 years.”** – EPA spokesman, Jahan Wilcox
